

Anguilla Service – User Guide

by Digicel

ACTIVATING YOUR SERVICE

It is very easy to activate your new service. Just follow the instructions below and you'll be ready to call once you reach your destination:

1. Travel to your destination
2. Break out the SIM Card from the plastic card
3. Then insert this SIM Card in your phone.
4. Make sure your phone battery has been charged
5. Switch your phone on
6. Enter the PIN Code (if required)

Your Anguilla SIM card will provide you with an Anguilla cellular phone number, which can be found on the front of your Digicel welcome letter in brackets. The number begins with **1264**.

HOW TO RECHARGE (ADD AIR TIME)

To recharge your Anguilla service, please follow the instructions below

- Purchase a Digicel recharge card
- Scratch off the protective layer to reveal your recharge voucher code
- Enter *121*(13-digit recharge code)# and press 'yes/ok/send'

MAKING INTERNATIONAL CALLS

To make an international call, simply enter all numbers starting with the '+', followed by the country code (1 for the US/Canada), area code and phone number. For example, to call (213) 337-5555 you would dial +12133375555.

RECEIVING CALLS

Family & friends need to dial the international direct dialing prefix for the country they are calling from followed by your new number. Please note, from the US/Canada they do NOT need to dial the prefix, simply, 1264 (Anguilla) and your new number bar the leading 0 (zero).

BALANCE

To check your balance, please

- Enter *120# and press 'yes/ok/send'
- You will be notified via SMS

SERVICE EXPIRATION

The validity of your recharge will depend on the amount you chose to recharge. For further details, please consult the following table below.

Recharge Amount	Validity Period
EC\$ 10.00	90 days after top-up
EC\$ 15.00	90 days after top-up
EC\$ 25.00	135 days after top-up
EC\$ 40.00	180 days after top-up
EC\$ 70.00	270 days after top-up

Please remember that you have 60 days in which to top-up your Anguilla Service after the expiration of your last top up. If you fail to do this, your account will be deactivated. You will be able to receive calls but will need to top up in order to make a call. If your account remains dormant for an additional 60 days, your account will automatically be terminated which means you will have to purchase a new SIM card and a new number will be provisioned.
